ABOUT THE BUISNESS

Creating memorable moments that will last a life time. Providing and focusing on family, lifestyle, personal portraits, maternity, nature photography in surrey, New Westminster, Langley and Chilliwack area.

THE COLORS

The primary colors are blue and black, which typically used over a white background. The blue and white used over a darker background. The blue represents the sky aswell as calmness, peace, trustworthy, and committed.

TYPEFACE

The primary typefaces in the logo are Kewl script and shree devanagari. Using century gothic pro for documents. Kewl script and shree devanagari should be used on all cloud photography logo materials.

Creating a clean but playful appearance, as well as easy to read. Kewl script does not have weight options. Shree devanagari and century gothic pro has 4 weight option, regular, italic, bold and bold italic.

THE LOGO

This is the primary logo. Always apply to clean or a light colored background. Cloud Photography logo has two typefaces, kewl script and shree Devanagari.

PRIMARY & SECONDARY LOGO

CLEAR SPACE

Primary Logo

Secondary Logo

The clear space around the logo should have this specific amount on all sides to ensure its visibility and impact. It is important not to crowd the logo to close to any graphics, therefore no graphics should invade this area no matter where it is used.

X Indicator around the logo is the clear space
